

Invitation

## 1<sup>st</sup> Slovenian Cancer Research Symposium

We are delighted to extend an invitation for the inaugural Slovenian Cancer Research Symposium, which will be held at the Institute of Oncology Ljubljana on October 11, 2024. This symposium aims to bring together researchers, clinicians, and other experts in the field of cancer research to share insights, foster collaboration, and advance our collective understanding of cancer, with a primary focus on pancreatic cancer.

Event Details:

Date: **October 11, 2024**

Venue: **Institute of Oncology Ljubljana; Building C, Lecture room**

Main Theme: **Pancreatic Cancer**

While the primary emphasis will be on pancreatic cancer, we encourage participants to contribute abstracts covering a broad spectrum of cancer-related topics. This symposium provides a platform for the exchange of knowledge and ideas, fostering interdisciplinary discussions and collaborations that can significantly impact cancer research and treatment.

Call for Abstracts:

We invite you to submit abstracts for oral and poster presentations on topics related to cancer research. Abstracts can encompass a wide range of cancer types, therapeutic approaches, and technological advancements. This inclusive approach aims to create a comprehensive dialogue that transcends specific cancer types and addresses overarching challenges in the field.

Submission Deadline: August 30, 2024

Please visit our <https://radiobio.si/> for detailed submission guidelines and to complete the abstract submission process.

Keynote Speakers:

Distinguished experts in the field of cancer research, particularly in pancreatic cancer, will deliver keynote addresses, providing valuable insights and perspectives.

Registration:

To confirm your participation, kindly register by October 1 2024. Early registration August 30, 2024 is recommended to secure your spot at the symposium.

We look forward to your presence at the First Slovenian Cancer Research Symposium, where we anticipate lively discussions, meaningful collaborations, and the exchange of cutting-edge research findings.

Should you have any inquiries or require further information, please do not hesitate to contact us at [mcemazar@onko-i.si](mailto:mcemazar@onko-i.si); [vzadnik@onko-i.si](mailto:vzadnik@onko-i.si)

Sincerely,

prof. dr. Maja Čemažar
